

RE: Memorial Archive

Dear Crawford Colt,

We are in the process of building a Memorial Archive for the Official Crawford High Alumni website and need your help in fleshing out the information. Please help us remember our late fellow classmates and send us the names including the class year of any Crawford Colt who has died.

Forward us the name and year of death of anyone who died before or after graduating from Crawford High. Include the class year that they would have or did graduate in. If you know the year, month or circumstances of death we would appreciate knowing as it would help in researching death records to confirm the passing for the Memorial Archive.

Send your information to CrawfordHighAlumni@yahoo.com, Subject Line: Memorial Archive. Thank you for your help and support with this project.

Crawford Foundation & Alumni Association
