

Donations

Unlike the large professional organizations we are not partnered with any corporations or companies that could provide us with funding, therefore we depend on donations and fundraising. We thank you in advance for every donation you plan on sending us, as it will help greatly with our projects and scholarships. No gift is too small. Your support at any level makes a difference!

How can you help? You can send us Tax Deductible Direct Donations! Remember that the Will C. Crawford Foundation is a nonprofit organization that is proud to support of the staff and students of Crawford High and we ask for your help to sponsor our work. Please give what you can and feel good about strengthening a cause important to you and the alumni community. If you would like to support us with a contribution, you may donate today using one of the methods below.

Contributions may be sent to the following donation address.

For direct non-specified financial donations make checks payable to: "Will C. Crawford Foundation" and mail to: Crawford Foundation, Crawford Educational Complex, Old Administration Building, 4191 Colts Way, San Diego, CA 92115.
